Dear Mr. Burger,

Re: Revision & resubmittal of documentation for proposed solar arrays at the Ellis Tract Lands

SUN8 PDC LLC (“SUN8”), a subsidiary of Distributed Sun LLC, has revised and is resubmitting information to supplement its Special Use Permit application submitted on February 20, 2017 in regards to the project proposed at the Ellis Tract.

SUN8 has engaged with various members of the community to address comments received on proposed projects. The following information is being provided to support the application:

- Special Use Permit application form
- Site Plan Drawings
- Visual Impact Statement from Labella Associates
- Aquatic and Habitat Assessment Reports from Tetra Tech
- Storm Water Pollution Prevention Plan
- Long form EAF completed by LaBella Associates
- Phase-1 Environmental Investigation Report
- A separate response to TG Miller’s comments is being provided to them directly

An agricultural data statement is not provided as we did not find the lands listed in an agricultural district. Please confirm receipt of materials and acceptance of the application.
Respectfully submitted,

Bharath Srinivasan
