Dear Members of the Town Board:

The above-referenced application (the "Application") is pending before the Town Board. The New York State Office of Historic Preservation ("SHPO") recently completed its review of the Application (see enclosed).

Accordingly, Verizon Wireless respectfully requests the matter be placed on the Town Board's April 20, 2017 agenda and consents to extending the FCC "shot clock" until the Town Board's April 20, 2017 meeting.

Should you have any questions, let me know. Otherwise, we look forward to appearing on April 20, 2017.

Very truly yours,
