Jason - We finally have a detailed quote for materials for the Varna playground fence - see attached quote from Home Depot. Material cost, including delivery, comes to \$3903.60. Disregard the tax.

A concern I have is that the \$3903.60 does not include use of an auger to dig the post holes. To rent an auger will cost approx \$80/day & we'd best allow for 2 days' use due to rocky soil and unpredictable weather. So, \$3903.60 + \$160 brings our total request for funding to \$4064.

The attached Home Depot quote is for materials only. As previously mentioned, the VCA is willing to contribute volunteer labor to match funds from the Town. FYI - Papp Co. LLC, a fence installer that does installations for Home Depot estimated labor cost at \$5069.

Bambi - Please include the attached Home Depot quote in the packet for Town Board members for Thursday's meeting. Thank you!
