

May 2016 Recreation Director Report

❖ **Community Grants:**

- The community grant applications have been reviewed and recommendations have been sent to the Town Board. Once approved, I will be moving forward with contracts.

❖ **Spring Programming:**

- Spring youth programs are running smooth with a total of 120 participants in lacrosse, karate, field trips, and track and field.
- Our recreation assistant, just completed CPR/AED/& First Aid trainings which were held here at the Town Hall. A total of 10 community members were certified.
- Our popular co-ed softball league will begin soon and run through the summer. That program is run by our recreation coordinator.

❖ **Summer/ Fall Programming:**

- The Dryden Recreation Summer/Fall 2016 Community Guide is now out to the community. The booklet has been delivered to local schools, posted online, and been advertised in the Dryden Courier. This guide promotes programs from June through October including youth programs, summer pickleball, community events, and even more from local organizations.
- There are a number of new summer programs including art, basketball, soccer, and Wednesday night football.
- A new adult/family program will be offered this summer in cooperation with TC3 to hold summer Pickleball at the TC3 courts on Sunday's though the first week in August and end with a tournament.
- Two great summer concerts will be starting soon at Ellis Hollow and the Dryden VFW.
- Quickly approaching will be fall programming as well.
