Request for Information
Community Energy Coordination

RESPONSES DUE: 06/14/2016 AT 5:00 PM EST

DISCLAIMER

This Request for Information (RFI) is not an offer, or a commitment by AVANGRID or its affiliates to select any person who completes and submits a response to this RFI or to enter into an Agreement, and does not create any rights in any person or obligate AVANGRID to enter into an Agreement with any person and/or Company. AVANGRID reserves the right to change or withdraw this RFI or terminate the process, at its sole discretion, at any time, without any liability or obligation of any kind whatsoever.

Confidentiality/Non-Disclosure

Recipient acknowledges that the bid documents and the drawings, documents, and associated attachments incorporated therein, including all associated concepts and information embodied in such materials (collectively, "Bid Documents") contain information and data that are confidential and proprietary to AVANGRID and/or its affiliates, including but not limited to critical energy infrastructure information, trade secrets, and confidential customer information. The Bid Documents are furnished to the Recipient for the sole purpose of enabling the Recipient to prepare a qualified proposal to furnish the associated scope of work. By accepting this RFI, the Recipient acknowledges and agrees that (i) the Bid Documents, and the specifications and concepts embodied therein are confidential and proprietary to AVANGRID and/or its affiliates, (ii) Recipient shall retain such Bid Documents, concepts, and/or specifications as confidential and shall not disclose any of such Bid Documents, concepts, and/or specifications to anyone outside the bidder's or its subcontractor[s] organizations, (iii) Recipient shall use the Bid Documents and the associated specifications and concepts solely in connection with preparing a qualified proposal for the associated work, and for no other purpose, and (iv) Recipient shall, prior to disclosing any of the Bid Documents and the associated specifications and concepts to any subcontractor in connection with preparing a proposal, secure the written agreement of such subcontractor to the confidentiality and use restrictions in this paragraph, with the understanding that the Recipient shall remain principally liable for the subcontractor's breach of such obligations.

By accepting this RFI, Recipient acknowledges and agrees that breach of any of the obligations set forth above shall constitute irreparable and immediate harm to AVANGRID and/or its affiliates, and that AVANGRID and/or its affiliates shall be entitled to an injunction or injunctions (without the posting of any bond and without proof of actual damages) to prevent breaches or threatened breaches of the aforementioned obligations and that Recipient will not oppose the granting of such injunctive relief.

Dear Vendor,

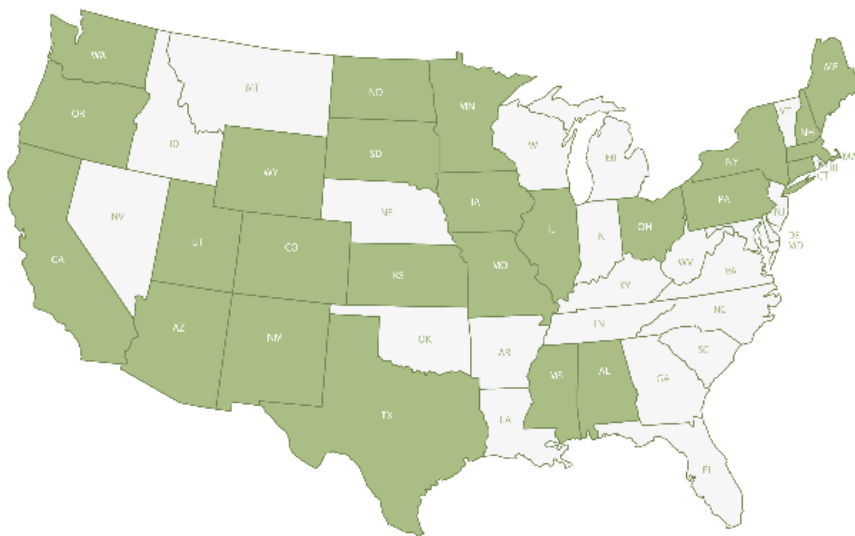

AVANGRID is soliciting requests for information (RFI) for Community Energy Coordination.

The AVANGRID Procurement Team is responsible for the administration and communication of the RFI process. Its designees, identified in this document, shall be the contacts used during the RFI process.

We appreciate your interest in participating in this process.

AVANGRID

AVANGRID, Inc. (NYSE: AGR) is a diversified energy and utility company with \$31 billion in assets and operations in 23 states. The company operates regulated utilities and electricity generation through two primary lines of business. AVANGRID Networks includes eight electric and natural gas utilities serving 3.1 million customers in New York and New England. AVANGRID Renewables operates 6.5 gigawatts of electricity capacity, primarily through wind power, in states across the U.S. AVANGRID employs 7,000 people. The company was formed as a business combination between Iberdrola USA and UIL holdings in 2015. AVANGRID remains an affiliate of the Iberdrola Group, a worldwide leader in the energy industry.

AVANGRID's vision is to be a leader in the energy sector, providing reliable service for our customers with a commitment to the wellbeing of our communities. Through innovation and technology we seek to provide clean energy through sustainable sources and are committed to reducing our corporate carbon footprint. AVANGRID holds safety, ethical practices, and good corporate governance in the highest regard.

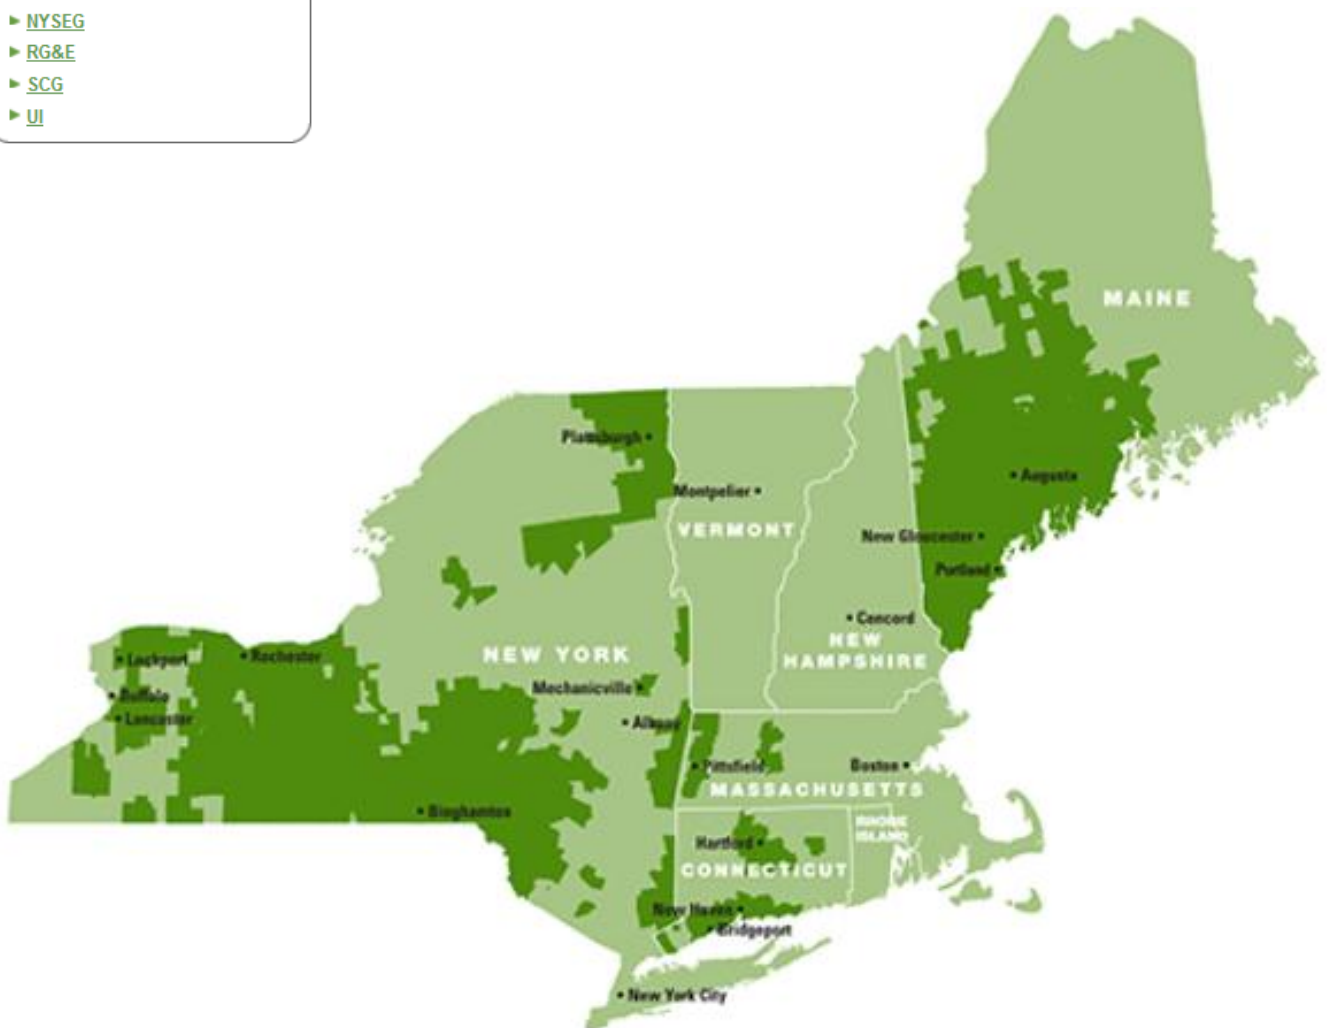

AVANGRID has three operating subsidiaries:

AVANGRID Networks

AVANGRID Networks operates regulated public utilities delivering natural gas and electricity to 3.1 million customers in in New York and New England. The eight Networks utilities are Berkshire Gas, Central Maine Power, Connecticut Natural Gas (CNG), Maine Natural Gas, New York State Electric & Gas (NYSEG), Rochester Gas and Electric Corporation (RG&E), Southern Connecticut Gas (SCG), and United Illuminating (UI). AVANGRID Networks invests continually to ensure the efficiency, reliability and security of it delivery networks and meet the needs and expectations of its customers.
