RE: CNG Transmission
Spill No. 98-06491

Dear Mr. Pastelock:

The Department has review all data prepared and submitted by SE Technologies and has reclassified this spill as closed.

Please be advised that the decision to classify this spill in this manner is an administrative one and may change based upon information or circumstances warranting it.

If you have any questions or wish to discuss this matter further, please call this office at (315) 426-7523.

Sincerely,

Richard J. Brazell, P.E.
Regional Spill Engineer
