

Here is the info for the three new people the Dryden Rail Trail Task Force is recommending for appointment:

Stephen C. Winans

Professor of Microbiology, Cornell University

Tompkins County resident since 1988, has lived in Dryden village for the past 11 years.

Susan Ashdown

Retired Faculty member, Cornell College of Human Ecology

Varna resident, retiring soon after teaching for 28 years in the College of Human Ecology. Passionate about alternative transportation modes.

Diann Zeigler

Varna resident and trail enthusiast

Member of Friends of the Rail Trail and the Rail Trail Design Committee.
