

Project Narrative – Townhomes at Dryden

The Townhomes at Dryden will be a 224-unit project located in Varna anticipated to deliver in August of 2020. This community will offer its residents townhouse-style apartments featuring top-of-market finishes. The development will include a variety of 1, 2, 3, and 4 bedroom units. Residents will have access to a variety of community amenities including a clubhouse with indoor basketball court, outdoor pool, gym, and business center/study areas. In addition, residents will enjoy access to nearby Varna Trail. The project will also feature 800-square feet of commercial space along Dryden Road.
