For the Trinitas Part 3 SEQR Recommendation to the Town Board

From 2019 SEQR Handbook

"The lead agency should prepare and execute Part 3 of the EAF after the completion of Part 2 of the EAF and when it has enough information to make a determination of significance."

From DEC EAF Workbook on Evaluating Significance

SEQR Part 3 Worksheet Template For each Part 2 impact determined to be moderate to large
To help assess the importance of the impact
Provide reason for impacts that "may have a significant adverse environmental impact"

<u>Impact</u>	<u>Duration</u>	<u>Likelihood</u>	<u>Mitigating Measures</u>
Moderate (localized)	Short	Unlikely	Yes
Large (severe)	Medium	Possible	No
	Long	Probable	
	Irreversible
