Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information			
Slaterville Springs Real Estate Company, LLC			
Name of Action or Project: Road Sign for New Medical Office Building			
Project Location (describe, and attach a location map): 2141 Dryden Road			
Brief Description of Proposed Action: A new medical office building is proposed at 2141 Dryden Road, between the Medical Pain Clinic and Scottie's Auto on the same side of the road. Since the state highway setback is approximately 80' at this location, the sign would be useless if kept on the subject property. Therefore, we are requesting permission to build the business identification sign (in this case considered a "billboard" since it is not on the subject property) at the typical distance from the road so passersby can see it.
