The Honorable Bill Goodman
Supervisor
Ithaca Town Hall
215 North Tioga Street
Ithaca, New York 14850

Dear Bill,

I am writing to express our intent to work with you as a community partner for the proposed Preliminary Design and Construction Cost Estimate work for the South Hill Recreation Way Expansion to be submitted to the New York State Office of Parks, Recreation & Historic Preservation's Environmental Protection Fund (EPF) Grants Program for Parks, Preservation and Heritage.

As you know, the Town of Dryden has made unprecedented progress at expanding its trail network because we understand the importance of developing these resources for our residents. We've been fortunate that New York State has generously supported much of our work. It's clear that working together with our neighboring municipalities, to extend our trail system, has multiplying effect.

We share your excitement about this project and hope that the New York State Office of Parks, Recreation & Historic Preservation provides it with the utmost consideration. We recognize the importance of this project to our community and look forward to working with you during its implementation.

Sincerely,

Dan Lamb
Deputy Supervisor
Town of Dryden
