

Town of Dryden Residents

The Town of Dryden will be conducting a dog enumeration beginning on February 1, 2020. Dog Control Officers, Richard Leonard and Thelma Hefner, will visit all residences in the Town to verify current licensing.

New York State requires that all dogs be licensed in the Town in which they reside. If your dog is not licensed, the DCOs will provide you with a license application and a copy of the Dryden Dog Law. You will be given 20 days to license your dog.

The cost to license: A dog that is neutered/spayed is \$11 per year. A non-neutered/non-spayed dog is \$23 per year. **If you fail to license your dog before the enumerators arrive, an additional \$10 fee will be charged.**

What do I need to license? You need proof of a current rabies vaccination and if altered, proof the dog is spayed/neutered. The license application is available on-line at Dryden.ny.us/town-clerks-office/dog and at the clerk's office.

If you have questions, please contact the Town Clerk's Office at 607-844-8888, option 3. Located at 93 East Main Street, we are open Monday through Friday, 8:00-4:30.
