**Subject:**

Dear Town Board Members,

For the agenda 11/19/2020 Rick Young, would like a resolution to authorize the Highway Superintendent to purchase one JCB Teleskid-3TS-8T to replace the Skid Unit we sold at auction. This would update the ability to load the smaller trucks with salt safer and more efficiently. This is to be paid by the money we received from the sale of the old equipment out of DA-5130.2 Account not to exceed \$84,000.00 Dollars.

Warmest Regards,

*Katelyn Rich*

*Town of Dryden Highway Dept.*

Secretary to the Highway Superintendent

(607)844-8888 Ext. 240
