From: Ray Burger, Director of Planning

Date: March 19, 2021

Re: Streambank Stabilization on Fall Creek and its Tributary

NOTICE OF PROJECT AND NOTICE OF INTENT TO ACT AS LEAD AGENCY

With this letter, you are hereby notified of the Town of Dryden’s (the “Municipality”) intent to act as Lead Agency under the New York State Environmental Quality Review Act (SEQRA) for the proposed Streambank Stabilization Project along Fall Creek and one of its tributaries (the “Project”). The Town of Dryden classifies the Project as an unlisted action under SEQRA. Enclosed is Part 1 of the long environmental assessment form which includes a description of the Project scope, project area map, and appropriate reference material.

Please return a copy of this letter-form indicating your consent to the Town of Dryden as lead agency (by checking the line below and signing a copy of this form). By SEQRA regulation, if a reply from an involved agency is not received within thirty (30) days of this notification, the Town of Dryden and its Board will deem that your agency has no objection to the Municipality acting as lead agency.

If you have any questions regarding the above matter, please contact Ray Burger, Director of Planning, at (607) 844-8888 x213, or by email at rburger@dryden.ny.us

_____ Consent to the Town of Dryden Lead Agency status for the Project
(Please place a check above if granting consent.)
