Dear Mr. Sprout:

RE: TRINITAS VENTURES
MULTI-FAMILY HOUSING PROJECT
959 DRYDEN ROAD (ROUTE 366),
TOMPKINS COUNTY

The New York State Department of Transportation (NYSDOT) has received the material regarding the multi-family housing proposal in the Town of Dryden. The Regional office supports the Town of Dryden assuming lead agency status for SEQR purposes. NYSDOT believes that we are an involved agency under SEQR.

A highway work permit will be required for any work within the State right-of-way (ROW) along State Route 366. Based on the information provided, a highway work permit will be required for the sewer connection, bus shelters, construction entrance, sidewalks, and driveway on Route 366.

Any questions regarding the permit process can be directed to Nadia Vedder, Assistant Regional Permit Engineer, at Nadia.Vedder@dot.ny.gov or (315) 428-3232.

Very truly yours,

MARK FRECHETTE, P.E.
Director, Planning and Program Management Group
