

Local Law # _____ 2022

Amending Local Law #1 of 2013 – Sewer use rate SS1

Be it enacted by the Town Board of the Town of Dryden as follows:

1. Subsection (b) of Section 218-24 (Calculation of Sewer Rent) of Local Law No. 1 of the year 2013 (Town of Dryden Sewer District No. 1 Sewer Rent Law) is hereby amended to read as follows:

“(b) Based upon the water usage, the calculation of the sewer rent shall be made by multiplying the number of gallons consumed in the billing period by \$6.25 per 1000 gallons. The product shall be the sewer rent for the billing period.”

2. Subsection (c) of Section 218-24 (Calculation of Sewer Rent) of such local law is hereby amended to read as follows:

“(c) In the event that the product computed according to sub-section (b) above is less than \$62.50 then the bill shall be rounded up to \$62.50 which shall be a minimum bill for each billing period. In the event the premises are not connected to a water meter, then a minimum bill as set forth herein shall be imposed for each billing period, until such time as a water meter is installed. All premises served by a sewer system shall have a water meter installed within nine (9) months of connection of the premises to the sewer system.”

3. A new subsection (d) of Section 218-24 is added as follows:

“Amendments to sewer rents established under this article may be made by Board resolution.”

4. This local law shall take effect for all sewer use after January 1, 2022 and after filing with the Secretary of State.
