

Resolution to Approve the NEPA Environmental Review Forms  
Regarding the Town of Dryden CDBG Grant Award to  
Replace/Recondition Sewer Mains in the Hamlet of Varna

Whereas, the Town of Dryden has recently been awarded \$1,250,000 in federal HUD dollars through the Office of Community Renewal to replace/recondition sewer mains in the Hamlet of Varna, and

Whereas, any federal grant dollars require a NEPA environmental review, therefore be it

Resolved, that the Town of Dryden has determined that upon conducting this NEPA environmental review that this sewer project will have no demonstrable impact to the environment and that further

Resolved that the Town of Dryden finds this project is categorically excluded from any further consideration of an environmental impact pursuant to 24 CFR 58.35(a)(1).
