

**RESOLUTION TO APPOINT
MCKENNA CROCKER AND KATHERINE LEE
TO THE CLIMATE SMART COMMUNITIES TASK FORCE**

WHEREAS both McKenna Crocker and Katherine Lee currently are students at Dryden High School, and

WHEREAS both McKenna and Katherine are two of many student voices who feel passionate about protecting the environment and mitigating (and ultimately reversing) the effects of climate change, and

WHEREAS both McKenna and Katherine have already proven themselves capable and effective student leaders and changemakers at their school, especially through their work with the Dryden High School Sustainability Club, and

WHEREAS both McKenna and Katherine wish to extend the scope of their work to be of service to the Dryden community as a whole, and

WHEREAS the Climate Smart Communities Task Force would significantly benefit from the insights of Dryden's young adults, as they will more directly feel the effects of the decisions we make today,

THEREFORE BE IT RESOLVED that the Town Board of Dryden approves membership of McKenna Crocker and Katherine Lee to the Climate Smart Communities Task Force.
