

RESOLUTION AUTHORIZING THE TOWN OF DRYDEN SUPERVISOR TO SIGN A CONTRACT WITH NYSERDA TO COMPLETE ENERGY UPGRADES AT THE TOWN DPW/HIGHWAY OFFICE BUILDING FUNDED COMPLETELY WITH A NYSERDA GRANT

JULY 21, 2022

Whereas, on May 23 2022, the New York State Energy Research and Development Authority (NYSERDA) notified the Town of Dryden that it has qualified for a \$10,000 Clean Energy Community grant; and

Whereas the award of the grant is based on the Town's completion of energy savings actions including purchase of 100% renewable energy for municipal operations, and

Whereas, the grant may be applied only to specific new energy savings actions, including building energy efficiency upgrades; and

Whereas, the Climate Smart Community Task Force voted unanimously to earmark that grant towards an energy audit and recommended energy savings upgrades at the DPW/Highway Department offices; and

Whereas, NYSEDA will fund the \$3400 certified energy audit by L&S of Clifton Springs directly out of the \$10,000 grant; and

Whereas, the balance of the grant, \$6,600 may be applied to energy upgrades such as insulation and more efficient windows; and

Whereas, NYSEDA requires approval of the contract for the \$6,600 before the energy audit work can begin, now

Therefore, be it resolved, that the Town Board authorizes the Supervisor to sign the contract with NYSEDA for the grant balance of \$6,600 for energy upgrades to be completed by the end of the 2023 calendar year.
