- 3.) Maintenance and Protection of Traffic, if required;
- 4.) Laydown space for equipment and pipe sediment.

NATIONAL WATER MAIN CLEANING

A Carylton Company

GENERAL TERMS AND CONDITIONS

- I. General Conditions:** These general conditions are incorporated by reference into the proposal and are part of the Agreement under which services are to be performed by the Contractor for the Customer.
- II. Customer Supplied Labor:** Where the Customer supplies labor for the Contractor; the Customer will indemnify the Contractor for liability, loss or expense for work related injuries to the Customer's employees. The Customer agrees to waive all rights of subrogation against the Contractor arising out of the work in this Agreement.
- III. Damage Limitations:** Under no circumstances will the Contractor be responsible for indirect, incidental or consequential damages. The Contractor also is not responsible for the rendering of or failure to render architectural, engineering or surveying professional services.
- IV. Preexisting Conditions:** The Contractor will not be responsible for liability, loss or expense (including damage caused by the backup of basement sewers) where the primary cause of the claim or damage is preexisting conditions including faulty, inadequate or defective design, construction, maintenance or repair of property or contamination of the subsurface where the condition existed prior to the start of the Contractor's work. Customer is responsible for loss of service caused by the preexisting conditions at the jobsite.
- V. Environmental Conditions:** The debris is represented to Contractor to be non-hazardous, requiring no manifesting or special permitting. The Customer will be responsible for any additional costs or claims associated with the treatment, storage, disposal of the removed debris, or breach of the above representation, at any time during or after the completion of this project.
- VI. Indemnification:** The Customer and Contractor will each indemnify the other for liability, loss and expense incurred by the other party resulting from a negligent act or omission in performance of work under this Agreement. If both parties are jointly at fault, each will indemnify the other in proportion to their relative fault. The Customer will also indemnify Contractor for liability, loss and expense resulting from Contractor's services if the Contractor is acting at the direction or instruction of the Customer, or where the primary cause of any damages is due to information provided by the Customer.
- VII. Credit Policy:** Regular Terms are Net 30 Days. The company may charge interest at the rate of 1-1/2% per month on all invoices outstanding 60 days past invoice date.
- VIII. Entire Agreement:** This proposal together with any written documents, which may be incorporated by specific reference herein, constitutes the entire agreement between the parties and supersedes all previous communications between them, either oral or written. The waiver by contractor of any term, condition or provision herein stated shall not be construed to be a waiver of any other term, condition or provision hereof.

If this proposal is acceptable, please confirm with your order so that we may schedule the work.

Sincerely,

NATIONAL WATER MAIN CLEANING COMPANY
