

**Resolution #\_\_\_\_ (2022) Approve Quote for Dryden Fiber Second Circuit**

Whereas, Dryden Fiber needs to secure a second circuit to allow the system to be redundant and prevent loss of service to the customers.

Whereas, the monthly expense of \$5,822 will not start until Spring 2023 when the circuit is accepted.

Therefore, be it resolved that the Board approves the quote dated 12/2/2022 from First Light to provide a second circuit for Dryden Fiber to be a redundant service.
