

Resolution# _____ Permitting the Town Supervisor to review, approve, and sign Service Level Agreements (SLA) for business customers on behalf of the Town of Dryden d/b/a Dryden Fiber and to review and approve the standard SLA agreement for residential customers.

Whereas, the Town of Dryden has established a municipal internet service doing business as Dryden Fiber; and

Whereas, Dryden Fiber is being operated as a public utility, in a similar manner to the special districts operated by the Town of Dryden to offer water, sewer, and street lighting services to businesses and residents; and

Whereas, at the yearly Organizational Meeting, the Town Board delegates the authority to operate and administer the day-to-day operations of the special districts, which includes adding new customers, to the Town Supervisor; and

Whereas, Dryden Fiber has started marketing internet services to local businesses, school districts, non-profits, municipal corporations, and residents; and

Whereas, Dryden Fiber will be regularly signing up business service level customers with SLA agreements that may be negotiated on a case-by-case basis based upon that customer's unique needs; and

Whereas, the residential SLA agreements will be standard agreements that apply to all residential service level customers; and

Whereas, to compete on an even basis with privately owned and operated Internet Service Providers Dryden Fiber should be able to sign up customers in a similar manner to privately owned and operated Internet Service Providers; and

Whereas, the Town Board finds that the Town Supervisor, as the Town's Chief Financial Officer and administrator, shall have the authority to enter into SLA agreements on behalf of the Town of Dryden to offer internet services to businesses, school districts, non-profits, municipal corporations, and residents as Dryden Fiber.

Resolved that the Town Board of the Town of Dryden permits the Town Supervisor to review, approve, and sign SLA agreements with business customers and review and approve the standard SLA agreement for residential customers without seeking further approval of the board.
