

Resolution

Dissolving the Town of Dryden Safety and Disaster Preparedness Advisory Committee

WHEREAS, the Town of Dryden created the Safety and Disaster Preparedness Advisory Committee in 2018 in response to community members' concerns over the Borger Station in Ellis Hollow; and

WHEREAS, as a result of the Committee's efforts, the Borger Station made improvements that benefited air quality in Ellis Hollow; and

WHEREAS, the Committee also created a Community Emergency Response Team (CERT) that began offering disaster preparedness training to the community; and

WHEREAS, upon the resignation of the five original members the Committee has had difficulty recruiting and retaining members; and

WHEREAS, the Committee has been without a Chairperson since September, 2022; and

WHEREAS, safety and preparedness initiatives can be transferred to the CERT program; now, therefore be it

Resolved, the Town of Dryden recognizes the value and the accomplishments of all community members who have served on the Safety and Disaster Preparedness Advisory Committee since 2018 and thanks them for volunteering; now, therefore be it further

Resolved, the Town of Dryden dissolves the Safety and Disaster Preparedness Advisory Committee.
