

**Resolution #\_\_\_\_ (2023) Permitting the Town Supervisor to review, approve, and sign Dryden Fiber Right of Access Agreements with Property Owners**

Whereas, the Town of Dryden has established a municipal internet service doing business as Dryden Fiber; and

Whereas, Dryden Fiber is being operated as a public utility, in a similar manner to the special districts operated by the Town of Dryden to offer water, sewer, and street lighting services to businesses and residents; and

Whereas, at the Organizational Meeting on January 5, 2023, Resolution #5, the Town Board delegated the authority of administration and supervision for Dryden Fiber to the Town Supervisor; and

Whereas, to install fiber to locations where the resident or business is not the property owner, Dryden Fiber is requiring the property owner sign a Right of Access Agreement, therefore be it

Resolved, that the Town Board of the Town of Dryden permits the Town Supervisor to review, approve, and sign Right of Access Agreements without seeking further approval of the board.
