

Caswell Road Landfill Solar Project Public Meeting

What to Expect

Meet the NYSERDA and Community Engagement team.

Learn about the Build-Ready Program, general information about the Caswell Site, and receive an explanation of Host Community Benefits.

Share your insights about the project and your thoughts on potential *Community Benefit* ideas.

Meeting Information

When:

Wednesday, April 17th

5:30 pm - 7:00 pm

This meeting will be an open house format, so feel free to stop by whatever time works for you!

Where:

Neptune Fire Hall

26 North Street, Dryden, NY

Who:

Any residents, stakeholders, or other individuals who are interested in learning more about the project!

If you are planning on attending, please **RSVP** using this link: <https://forms.gle/CCFCGdiwX9JxV-J4x5>

To learn more about the project and the Build-Ready Program, as well as to take the online community survey, visit the website: <https://www.nyserda.ny.gov/All-Programs/Build-Ready-Program/Build-Ready-Project-Sites/BR-Caswell-Road-Solar>
