

WE CURRENTLY HAVE INSUFFICIENT STORAGE SPACE.  
WE WOULD LIKE TO ERECT AN UNHEATED POLE BARN STYLE  
STORAGE BLDG WHICH WOULD BE 46' X 70' AND IT WOULD  
BE PLACED BEHIND EXIST WAREHOUSE. THE BLDG WOULD  
BE STORAGE ONLY AND WOULD NOT HAVE ANY SEPTIC  
OR WATER REQUIREMENTS. THERE WOULD BE NO ADDITIONAL  
PARKING SPACE REQUIRED AS EXISTING DRIVEWAY WOULD  
BE SUFFICIENT.
